## Beam Me up Scotty

Captain James T. Kirk I envy you, Mr. Spock and all the crew  
As in the starship "Enterprise" once weekly you materialise  
Right there on my t.v. screen, oh Captain Kirk, what wonders you have seen!

Chorus:

While I'm stuck here in a place I do not care for  
Down at heel and down upon my luck  
Yes I'm stuck here in a place I do not care for  
Scotty, Oh Scotty, beam me up...  
Transporter room, energise, beam me up and let me fly  
Away

Just like you I want to boldly go to where no one has gone before  
New life and strange new worlds to seek, for just an hour once a week  
Oh yes I would boldly go, Captain Kirk, oh please make it so

Middle Refrain:

Are there other life forms out there somewhere singing the same tune?  
Beneath alien skies do other eyes gaze at a different moon?  
And wonder just like me where the seeds of life are sewn?  
Or are we truly alone?

Engage impulse power and let's take flight, past the first star and then turn right  
There must be intelligent life out there, I hope so, there's not much down here  
And any dangers that we find we'll go to warp and leave them all behind.
