MARKING TIME

The road behind me disappears
In a haze of vague regret
The road ahead is still unclear
There's a mist that hides it yet
So here I stand on shifting sand
Waiting for a sign
I'm standing at the crossroads
Marking Time.

Chorus:

Listen to your heart
It's the only road to follow
When all your dreams have flown
Let your heart lead you home.

The wheel of time spins unconcerned
The short years come and go
And as it spins, the more I learn
The less I seem to know
On the run downhill with no answers still
To this foolish pantomime
I'm standing at the crossroads
Marking Time.

Chorus:

Listen to your heart
It's the only road to follow
When you're weary and alone
Let your heart lead you home.

Yet sometimes when I lift my eyes
The road ahead is clear
The mist was just a thin disguise
To hide my deepest fear
To live the light or to fear the night
I know this choice is mine
When I'm standing at the crossroads
Marking Time.

Chorus:

Listen to your heart
It's the only road to follow
Though the future is unknown
Let your heart lead you home.
