Since Nancy Died

Most of the time I go my way
I live my life from day to day
But thoughts I used to push away
I no longer turn aside
And though I might seem quite unchanged
Untouched, unmoved, quite self-contained
You know I've never been the same
Since Nancy died

Chorus:

Things ain't been the same, things ain't been the same
Things ain't been the same since Nancy died.

For what was distant is now near
What was misty is now clear
What was tomorrow is now here
I can no longer hide
All my silly fantasies
Of my immortality
How foolish now they seem to be
Since Nancy died

Refrain:

I thought there for a while you'd never stop dyin'
I thought there for a while I'd never start cryin'

Repeat first verse.
