Wishing Is Free

I wish this world was free from slaughter
I wish that all men could be brothers
Not be divided by race or religion
In mutual respect all of us livin'
In harmony
Though I know that will never never ever be
Wishin' is free

I wish this world was free from hunger
I wish we all shared with each other
The rich and well fed with the poor and the starvin'
All with full bellies and everyone sharin'
Earth's abundancy
Though I know that will never never ever be
Wishin' is free

Chorus:

Paradise, sweet Paradise, does not exist I know
And all the wishin' in the world will not make it so

I wish this world was free from shadows
I wish sunlight filled our tomorrows
And all of us, all the Earth's children
Were walkin' together with a bright future beckonin'
To infinity
Though I know that will never never ever be
Wishin' is free
